

The Immanuel After-School Care Program

REQUEST for Volunteer Workers

After School Care will begin on Thursday, August 18th, the first full day of school. A volunteer worker sign up sheet is in the PH lobby or sign up can be done by calling the church office or from the Immanuel website. Parents and other adults, jr. & sr. high youth, college students are welcome to help out on an "as available" basis. Volunteering on a regular basis gets easier as relationships build between the workers and the children. This service is provided only on full school days from 3:00 - 5:30 p.m.

Volunteers are needed to fill time slots each day. Commitment can be by a day, a week or number of weeks, or by the month. You may work **all time slots** for any of the days, if you wish. All volunteers agree to a background check if requested.

If you can help, circle the day and time(s) when you can come. Please return this sheet to the church office, place in box in PH lobby or email vspilker@frontiernet.net, indicating the details of your volunteer offer.
